National Park Service
U.S. Department of the Interior

Weddings

Weddings are permitted in Grand Teton National Park. Entrance fee and permit requirements apply. These are based on the location of the wedding ceremony and the location of the reception.

Permits

A permit is required to hold a wedding in the park except for the locations listed as follows. A fee of \$50 per permit is charged. To obtain a wedding permit application please visit the Grand Teton website,

<http://www.nps.gov/grte/fees-permits/weddings.htm>
or send your request in writing
to: Chief Ranger's Office,
Grand Teton National Park, P.O.
Drawer 170,
Moose, WY 83012.

Permits are not required for weddings held in the Chapel of the Transfiguration, the Chapel of the Sacred Heart, or at a concession facility.

Entrance Fees

Normal entrance fees are charged for all wedding participants and guests as they pass through a park entrance station. Lump sum or advance payments are not accepted. All guests entering the park to

attend a wedding ceremony at the Chapel of the Transfiguration will not be charged an entrance fee. Because the Chapel of the Transfiguration is on private property within the park, we cannot charge an entrance fee.

However, if these same guests will be attending a reception inside the park, all guests will be charged an entrance fee.

Chapels

Arrangements for the use of these chapels must be made directly with the church:

Chapel of the Transfiguration c/o St. John's Episcopal Church P.O. Box 1690, Jackson, Wyoming 83001 Telephone: 307 733-2603

Chapel of the Sacred Heart
c/o Our Lady of the Mountains
Catholic Church P.O. Box 992
Jackson, Wyoming 83001 Tele-
phone: 307 733-2516

Special Regulations

No disturbance of vegetation or other natural object is allowed. Park regulations do not permit the throwing or scattering of rice, birdseed or flower petals. Bands, barbecues, sound systems, props, etc, are not allowed unless inside a concessions building and within the scope

of the concessioner's permit or contract.

Any event that interferes with the normal activities of the visitor such as the closing of trails, overlooks or public use facilities will not be allowed.

Permittee will assume all responsibility for cleanup of the site.

All vehicles for the wedding party and guests must be parked in designated parking areas. Carpooling is recommended; parking may be limited in some areas.

Winter Road Closures

From about October 31 to mid-May, depending on weather, certain roads are closed to vehicles. These include the Teton Park

Road from Taggart Lake Trail-head to Signal Mountain and the unpaved portion of the Moose-Wilson Road, between Moose

and Teton Village. Other roads may be closed—please check with the Chief Ranger.
