Bollinger Hills Red Deer Farm Guided Hunts

F14

Rolling Hills Red Deer Farm is situated on 200+ acres of PA pasture and woods. Our farm-raised red deer venison is for sale year-round and we host our hunts from September thru February, when you can take your own venison, and a trophy STAG. Choose from over 75 stags and many hinds. You may use your choice of rifle, pistol, contender, crossbow, muzzleloader or bow. Hunts are usually stalking for however long you like. If you are in need of a drive, we can make that happen. With archery or crossbow, we provide a treestand. After harvesting your animal, we field dress it and we can take it to our local butcher, or take it to your own processor.

G2 & H1

A group of people, including a man in a blue shirt and a woman in a red shirt, are standing on a wooden cart with a yellow canopy. They are looking at several large reindeer with antlers that are standing in a grassy field. The reindeer are brown with white patches on their sides. From Route 11 North, turn right onto South Eaton Street (between K-Mart and the Cemetery). Proceed half a mile, cross railroad tracks to parks gate.

A public park located on 66.93 acres of land that was once used as an obstacle course to test military tanks produced by the Berwick American Car and Foundry plant during World War II and the Korean Conflict. Test Tract Riverfront Park is the most nature orientated park out of all the Berwick Parks located along the beautiful Susquehanna River where you can walk through trails, fish along the bank, launch a boat at the recently installed handicap accessible boat ramp and enjoy the beauty of nature just outside of town. In addition, the park includes soccer fields, baseball and softball fields and picnic pavilions. The park is laid out in a figure 8 and is perfect for walking (1.1 miles), biking (1.1 miles) and much more!

From I-80 Exit 232: Follow PA Route 42 North about 4 miles to Melick Road on your right. Follow Melick Road. Immediately after crossing Fishing Creek Bridge, Crawford Road is on your left. Follow Crawford Road about ½ miles to Ward Crawford Trail on the left.

The Weiser State Forest, Jakey Hollow Natural Area (58 acres) located in central Columbia County contains a small remnant of old growth eastern white pine, hemlock, oak and other hardwoods. A few giant eastern white pine and hemlocks can be found here and serve as reminders of what forests in this part of Pennsylvania must have been like in the past. This tract has been designated as a Natural Area where natural processes will be permitted to continue indefinitely with minimal human impact. Walking trails exist up to ½ mile. State forest rules and regulations apply. Please check the sign board or contact Weiser State Forest District Office.

From I-80 Exit 232: Follow PA Route 42 South about 16 miles to State Forest parking area located on the right, just past Kline's Reservoir. Additional parking on Route 54 side of the state forest (Follow Route 54 through Elysburg towards Mount Carmel. Entrance is on the left just past Aqua Water).

The Weiser State Forest, Roaring Creek Tract (9,020 acres) located in southern Columbia and Northumberland counties offers an array of outdoor recreational activities. The South Branch Roaring Creek flows for approximately 10 miles through this picturesque valley. The tract is a favorite local attraction for both experienced outdoorsmen and families on an outing. An eight mile hiking/biking trail exists, as well as shared use trails (hiking, mountain biking, cross country skiing) up to 40 miles in length. Four Historic Miners Trails from the 19th and 20 Centuries are still present and average 6 miles in length. This forest also offers various hunting and fishing opportunities (catch and release – non motorized boats). State Forests are working forests where outdoor recreation, as well as natural resources, is managed for long term sustainability. State forest rules and regulations apply, as well as special regulations. Please check the sign boards at main parking areas or contact the Weiser State Forest District Office.
